

## **What is required for continuing education for South Dakota licensed psychologists?**

A licensee, other than a licensee initially licensed after the first day of the annual licensure period, shall complete 1.5 education units (which is equal to 15 contact hours) during the annual licensure period and make a written report thereof to the board when renewing the license. No more than five contact hours may be earned and reported from independent professional reading per annual licensure period. The rules defining continuing education, activities eligible for credit, the amount of continuing education units required and request for exemption may be found at <https://sdlegislature.gov/Rules/Administrative/39789>.
